Our Travel Style

We get it – travel's a big decision. It's not every day you fly across the world to wander the souks of Marrakech or enjoy a dreamy Angkor sunrise. But for us, it's been our everyday for the past three decades (whew, we're old). Let's just say we know what travellers *really* want: a balance of inclusions and free time, a mix of classic highlights and local secrets you won't find on Google. And of course, an authentic real life experience.

Cambodia Destination Highlights

Beneath the Cardamom Mountains or on the banks of the Mekong, Khmer village life goes on pretty much as it always has (give or take the odd iPhone). And when you're watching a sunrise over Angkor Wat or clambering Tomb-Raider-style over the ruins of Tha Promh, the modern world feels a long way off. But don't be fooled by the epic history – Cambodia is a country on the move. With riverside boulevards and art galleries popping up in Phnom Penh, and Siem Reap's growing reputation for hip cafes and thumping nightlife, Cambodia tours aren't all about the temple-gazing. (Although we have to admit, the gazing is pretty darn good.)
